Neighborhood garage sales are allowed one group sale per year. If a homeowners association does not exist, the applicant must show that six or more residences in a contiguous area will participate in the event. Participation in a neighborhood garage sale does not affect an individual property owner's ability to hold a single residence garage sale.

ADDITIONAL INFORMATION

1. Garage sales are permitted only for single-family and two-family residences.
2. Garage sales may be conducted for two consecutive days.
3. One garage sale is permitted within a six (6) month interval.
4. The occasional sale of a personal automobile, trailer, boat, and similar items is allowed without a permit.
5. The completed application may be emailed to nrhpi@nrhtx.com or faxed to 817-427-6303.
